Website: www.hisolution.org

Prime Contractor: Hargrave Innovative Solutions

Named Subcontractor: Engaged Talent Solutions LLC

Strategic Consultant Pool: Integrated Services & Solutions / Dr. Terry Flood, Dr. Ponds, Jamiaka McAdams, Candyce Hunt, Yvonne / LaVie Consulting, Jeffrey Cooley, and additional qualified subject matter experts as needed.

1. Catalog Overview

Hargrave Innovative Solutions provides professional development, training, consulting, speaking, and brokerage services for instructional and non-instructional staff. HIS proposes to serve as the prime contractor and single point of accountability for McKinney ISD, supported by Engaged Talent Solutions LLC as a named subcontractor and a multidisciplinary consultant pool.

This combined catalog aligns with McKinney ISD's requested service areas, including instructional professional development, leadership development, non-instructional professional development, technology training, specialized consulting services, speaking and presentation services, and brokerage services.

Engaged Talent Solutions adds more than 17 years of HR and training consulting expertise, including HR infrastructure, leadership development, employee engagement, organizational development, performance management, eLearning, software training, customer service training, and strategic planning.

2. Delivery Formats

Services may be delivered in the following formats:

Delivery Format	Description
In-Person Workshop	Half-day, full-day, or multi-session professional development
Virtual Training	Live online sessions using Zoom, Teams, Google Meet, or District-approved platform
Webinar	Short-form professional learning or informational session
Coaching Cycle	Individual, group, leadership, or team coaching
Consulting Engagement	Project-based consulting, facilitation, evaluation, or planning
Keynote / Presentation	Staff development, leadership retreats, opening sessions, or special events
Self-Paced / Blended Learning	Online course support, LMS-based learning, or hybrid learning models
Brokerage Services	Identification, vetting, coordination, and quality assurance of specialized consultants

3. Combined Course and Service Catalog

A. Leadership Development and Supervisory Training

Course / Service	Description	Recommended Audience
Leadership Foundations	Practical leadership training focused on accountability, communication, decision-making, and team performance.	New leaders, supervisors, department heads
Becoming Leadership Material	Builds leadership identity, problem-solving, influence, change readiness, and communication skills.	Emerging leaders, teacher leaders, department leads
Management Skills for New Leaders	Supports new managers in motivation, delegation, coaching, communication, performance management, and leadership confidence.	New supervisors, campus leaders, department managers

The Professional Supervisor	Focuses on planning, prioritization, communication, motivation, team leadership, and supervisory responsibilities.	Supervisors, managers, operational leads
Executive Coaching and Leadership Development	Individual or group coaching for leaders seeking to improve communication, confidence, performance, and team outcomes.	Executives, administrators, principals, directors
Coaching Employees to Enhance Performance	Provides tools for coaching high performers, low performers, and employees needing development.	Supervisors, principals, managers
Essential Coaching Skills for Managers and Leaders	Builds active listening, trust, goal setting, accountability, feedback, and leader-coach mindset.	Leaders, coaches, administrators
Energizing Employees to Enhance Performance	Focuses on employee motivation, engagement, communication styles, and team accountability.	Supervisors, department leads
How to Engage Employees	Helps leaders create meaning, motivate staff, address performance patterns, and develop talent.	Leaders, managers, HR teams
Setting Expectations and Goals for the Team	Provides SMART goal-setting tools and methods to connect goals to organizational strategy.	Supervisors, team leads
Learning How to Delegate	Teaches delegation, trust-building, follow-up, accountability, and matching tasks to staff skills.	Supervisors, managers
Impactful Delegation Skills to Get Results	Provides real-world delegation strategies to reduce stress, build morale, and improve productivity.	Supervisors, managers, team leads
Leading Productive Meetings	Helps leaders plan, facilitate, and follow up on effective meetings that produce outcomes.	Managers, department chairs, administrators

How to Conduct a Virtual Meeting	Builds skills for facilitating engaging virtual and hybrid meetings.	Leaders, trainers, facilitators
CliftonStrengths / Strengths-Based Teams	Uses strengths-based concepts to support self-awareness, team alignment, and engagement.	Teams, leaders, departments
Leadership with a Vision	Helps leaders build and communicate a compelling vision tied to purpose and performance.	Leaders, administrators, strategic teams

Engaged Talent Solutions' course catalog includes leadership, coaching, change leadership, delegation, virtual meetings, StrengthsFinder, management skills, supervisory training, and performance management topics that align closely with these offerings.

B. Human Resources, Talent Development, and Employee Engagement

Course / Service	Description	Recommended Audience
HR for Non-HR Managers	Provides managers with practical HR awareness related to hiring, onboarding, compensation, retention, discipline, and termination considerations.	Supervisors, administrators, department managers
Hiring Smart: Behavioral Interviewing Techniques	Teaches structured interviewing, competency identification, behavioral questions, and fair hiring practices.	HR staff, supervisors, hiring panels
Performance Management	Supports goal-setting, accountability, feedback, performance improvement, and employee development.	Supervisors, HR, managers
Conducting Effective Performance Reviews	Provides tools for documenting performance, giving feedback, and conducting effective appraisal conversations.	Supervisors, administrators
Performance Reviews and Improvement Plans	Supports preparation and delivery of fair, useful, and motivating performance reviews.	HR, managers, team leads

Employee Engagement Surveys	Provides survey design, implementation, analysis, and recommendations to improve engagement.	HR, leadership teams
Succession Planning	Supports identification and development of future leaders and key talent.	HR, leadership teams
Recruitment and Selection Support	Provides consulting support for recruitment strategy, selection processes, and hiring practices.	HR, department leaders
Onboarding and Reboarding Support	Supports employee orientation, transition back to work, role clarity, and workplace integration.	HR, managers
Employee and Labor Relations Support	Consulting and training support related to communication, workplace expectations, and employee relations.	HR, administrators
Policies, Procedures, and Employment Correspondence	Supports development or review of HR-related procedures, templates, and staff communication materials.	HR, operations
Career Transition and Outplacement Support	Supports staff career planning, transition coaching, and workforce readiness.	HR, employees, workforce programs

Engaged Talent Solutions identifies HR consulting, recruiting, succession planning, performance appraisal, employment engagement surveys, policies and procedures, career transition, and organizational development as core focus areas.

C. Communication, Conflict Management, and Workplace Culture

Course / Service	Description	Recommended Audience
Communication Strategies	Builds listening, questioning, nonverbal communication, assertiveness, and professional communication skills.	All staff, supervisors
Managing Difficult Conversations	Helps participants prepare for and conduct challenging conversations with professionalism and emotional control.	Leaders, supervisors, HR

Conflict Management	Provides tools to understand conflict styles, manage emotions, and resolve workplace conflict constructively.	All staff, leaders
Dealing with Difficult People	Helps participants recognize difficult behaviors, manage emotional reactions, and respond effectively.	All staff, customer-facing teams
How to Ask Powerful and Meaningful Questions	Builds deeper conversation skills, Socratic questioning, and productive dialogue.	Leaders, teachers, counselors, staff
Problem Solving	Teaches root cause analysis, brainstorming, decision trees, creativity, and solution selection.	All staff, teams
Problem Solving and Decision Making	Supports collaborative decision-making, problem identification, and avoiding common problem-solving traps.	Teams, leaders
Managing the Self	Focuses on self-leadership, values, listening, energy management, and productivity.	All staff
Enhancing Productivity	Helps participants manage time, reduce distractions, prioritize tasks, and improve effectiveness.	All staff

D. Inclusion, Cultural Intelligence, and Respectful Workplace Training

Course / Service	Description	Recommended Audience
Introduction to Unconscious Bias	Helps participants recognize bias, confirmation bias, halo effect, groupthink, and strategies to reduce bias in decisions.	All staff, leaders
Using Inclusive Language	Supports awareness of inclusive language, identity, privilege, gender-neutral language, and respectful communication.	All staff

Cultural Intelligence	Helps participants understand cultural diversity, cultural competence, communication styles, and cultural value differences.	All staff, leaders
Using the Language of Cultural Intelligence	Builds cross-cultural awareness, adaptability, and intercultural communication skills.	All staff
Developing an Inclusive Work Culture	Supports strategies for building belonging, respect, and inclusive workplace culture.	Leaders, HR, teams
Diversity and Inclusion for Employees	Introduces inclusion, equity, allyship, microaggressions, and inclusive team practices.	Employees, teams
Diversity and Inclusion for Leaders and Supervisors	Helps leaders build inclusive cultures, coach teams, and support fair practices.	Leaders, supervisors
Building Culturally Intelligent Teams	Supports leaders and teams in working effectively across cultural differences.	Leaders, teams

ETS identifies DEI program design and facilitation, cultural intelligence, inclusive language, and inclusive leadership courses as part of its catalog and core competencies.

E. Customer Service and Public-Facing Excellence

Course / Service	Description	Recommended Audience
Customer Service Excellence	Builds practical service skills for supporting students, parents, staff, vendors, and community members.	Front office staff, support staff, operations
Critical Elements of Customer Service	Focuses on expectations, service standards, complaint handling, conflict resolution, and problem-solving.	Customer-facing staff
Managing Customer Service	Helps supervisors build customer service teams, service processes, staff engagement, and service recovery practices.	Supervisors, department leaders

Hospitality-Informed Customer Service	Applies hospitality and service principles to public education and administrative service settings.	Administrative teams, operations, front-line staff
Handling Challenging Customers	Provides techniques for responding to complaints, de-escalation, and service recovery.	Frontline staff, administrators

F. Change Management, Organizational Development, and Strategic Planning

Course / Service	Description	Recommended Audience
Introduction to Change Leadership	Teaches change readiness, change coalitions, communication, change action planning, and sustaining culture change.	Leaders, administrators
Dealing with Resistance and Managing Change	Helps leaders address resistance, maintain productivity, build trust, and support change adoption.	Leaders, supervisors
Change and How to Deal With It	Helps participants understand change stages, mindset, motivation, and adaptation strategies.	All staff, teams
Organizational Assessments	Reviews processes, people, structure, communication, and performance to identify improvement opportunities.	District departments, leadership teams
Organizational Development Consulting	Supports culture, workflow, communication, leadership, and team performance improvement.	Leadership, HR, departments
Strategic Planning Facilitation	Facilitated planning sessions to identify goals, priorities, implementation steps, and accountability measures.	District leaders, departments
Process Improvement and Efficiency Studies	Reviews workflows and recommends improvements to reduce duplication and increase effectiveness.	Operations, HR, finance, administration

Project Management Training	Provides basic project planning, milestone tracking, roles, risk management, and reporting tools.	Department teams, project leads
-----------------------------	---	---------------------------------

G. Instructional Professional Development and Education Support

Course / Service	Description	Recommended Audience
Teacher Leadership Development	Builds leadership skills for teachers serving as mentors, department chairs, grade-level leads, and instructional leaders.	Teachers, department chairs
Teacher Retention and Induction Support	Provides research-informed support for induction, mentoring, belonging, and retention strategies.	Campus leaders, HR, teacher mentors
Student Engagement Strategies	Supports practical strategies for improving student participation, motivation, and classroom engagement.	Teachers, instructional staff
Career Readiness and Business Education Support	Provides training related to career coaching, business education, employability, and workforce readiness.	Teachers, CTE, counselors
Social Media Awareness and Digital Citizenship	Helps schools address student social media perceptions, online communication, and school culture impacts.	Students, teachers, staff
Program Development for School-Based Initiatives	Supports planning, design, and implementation of school or district programs.	Administrators, program leads
Evaluation Research and Program Review	Supports evaluation design, data collection, analysis, and reporting.	District departments, program managers
Instructional Technology Support	Supports technology instruction, digital tools, and technology-enabled learning practices.	Teachers, staff
TEKS / TEA-Aligned Support Through Qualified SMEs	HIS will assign or broker qualified instructional consultants for TEKS, TEA Academies, state standards, special education, GT, and English learner needs.	Instructional staff, curriculum teams

Dr. Ponds strengthens the HIS team’s education-specific catalog through K-12 experience, teacher retention research, business education, technology instruction, career coaching, grant writing, program development, and evaluation research.

H. Technology Training, eLearning, LMS, and Digital Skills

Course / Service	Description	Recommended Audience
eLearning / Online Course Development	Supports online course design, blended learning design, and digital learning assets.	Professional learning, HR, departments
LMS Design and Implementation Support	Supports design, rollout, and use of learning management systems.	HR, professional learning, technology teams
Software Training	Provides practical user training for workplace software and digital tools.	Staff, departments
Virtual Meeting Facilitation	Trains staff to lead effective, engaging virtual and hybrid meetings.	Leaders, facilitators
Managing Remote and Hybrid Teams	Supports leaders managing virtual, remote, or hybrid staff environments.	Supervisors, managers
Becoming More Effective as a Remote Worker	Supports productivity, communication, boundaries, and connection in remote work.	Staff
Managing Interruptions While Working From Home	Provides strategies for focus, work-life balance, and productivity while remote.	Staff
Managing the Transition Back to Work	Supports reboarding, transition planning, employee communication, and mental health awareness.	Leaders, HR
Digital Communication and Collaboration	Supports professional communication using digital platforms.	All staff

Social Media Awareness	Provides education on responsible social media practices and impacts on school culture.	Staff, students, families
------------------------	---	---------------------------

ETS identifies LMS design and implementation, eLearning, online course development, computer/software training, and instructional design using ADDIE/SAM as service areas.

I. Wellness, Resiliency, Mindfulness, and Staff Support		
Course / Service	Description	Recommended Audience
Workplace Resiliency	Helps staff build resilience, manage stress, and maintain effectiveness during demanding periods.	All staff
Mindfulness for Professionals	Provides practical mindfulness tools for focus, stress management, and emotional regulation.	All staff
Stress Management and Burnout Prevention	Supports staff wellness, self-awareness, and sustainable work habits.	Teachers, staff, leaders
Emotional Intelligence	Supports self-awareness, empathy, communication, and relationship management.	Leaders, teams
Trauma-Informed Workplace Support	Supports staff understanding of trauma-informed communication and service.	Student support, administrators
Team Cohesion and Morale Building	Facilitated sessions to support trust, morale, communication, and collaboration.	Teams, departments
Peer-to-Peer Mentorship and Coaching	Supports structured peer support, mentoring, and staff development.	Staff, mentors

Eric Hargrave’s background includes certified life coaching, mindfulness coaching, leadership development, trauma-informed support, mental resilience training, peer-to-peer counseling, and family support services.

J. Grant Management, Compliance, Program Evaluation, and Reporting

Course / Service	Description	Recommended Audience
Grant Readiness Assessment	Reviews readiness to pursue, manage, and report on grant-funded programs.	District departments, program leads
Grant Writing Support	Supports grant research, proposal development, narrative drafting, and submission preparation.	Departments, program leads
Grant Management Training	Provides practical training on grant administration, documentation, timelines, and reporting.	Program managers, finance, compliance
Federal Grant Compliance Training	Covers grant compliance principles, allowable costs, documentation, reporting, and monitoring.	Grant managers, finance, administrators
Program Evaluation	Supports evaluation planning, performance measures, data collection, and outcome reporting.	Program managers, leadership
Audit-Ready Documentation Systems	Supports development of organized documentation systems for compliance and monitoring.	Program leads, grant managers
Performance Tracking and Reporting	Supports tracking of deliverables, outcomes, milestones, and performance metrics.	Program teams
Technical Assistance for Subgrantees or Partners	Provides support to partners on compliance, documentation, and implementation.	Program managers, partners

Dr. Terry Flood brings experience in federal grant lifecycle management, 2 CFR 200 compliance, audit-ready documentation, federal reporting, budget oversight, risk management, technical assistance, and program evaluation.

K. Workforce Development, Career Readiness, and Community Engagement

Course / Service	Description	Recommended Audience
Workforce Readiness Training	Supports employability, workplace expectations, communication, and professional behavior.	Students, adult learners, staff
Career Coaching	Supports career planning, transition, goal-setting, and readiness.	Students, employees, community programs
Job Search / Job Training	Provides practical support for resumes, interviews, workplace readiness, and job preparation.	Workforce programs, CTE
Veteran Transition and Reentry Support	Supports transition planning, peer support, resilience, and workforce integration.	Veterans, families, community partners
Fatherhood and Family Engagement Workshops	Supports family stability, parenting, mentorship, and community engagement.	Families, community programs
Community Outreach and Engagement	Supports stakeholder engagement, community partnership development, and outreach strategies.	District programs, community teams
Nonprofit and Community Capacity Building	Supports nonprofit partners, community initiatives, grant readiness, and program development.	Community partners
Youth and Family Program Coordination	Supports planning and implementation of youth, family, and community-centered initiatives.	District/community programs

L. Brokerage and Consultant Coordination Services

Service	Description
Consultant Identification	HIS will identify qualified consultants based on McKinney ISD's requested need.
Consultant Vetting	HIS will review consultant qualifications, experience, and service fit.

Consultant Coordination	HIS will coordinate schedules, deliverables, communication, and logistics.
Quality Assurance	HIS will review materials, monitor performance, and collect feedback.
Specialized SME Sourcing	HIS will source SMEs for TEKS, TEA Academies, special education, GT, English learner support, technology, athletics, finance, HR, and other specialized needs.
Subcontractor Management	HIS will manage subcontractor performance, reporting, and issue resolution.
Professional Development Resource Management	HIS will coordinate training resources, materials, delivery plans, and follow-up documentation.

This service directly supports McKinney ISD's brokerage services category, including identification and coordination of specialized providers, management of professional development resources, quality assurance for outsourced training programs, and coordination of services aligned with District and campus improvement plans.

Annual Districtwide Package Over \$100,000	10%
Interlocal / Cooperative Users	Same base rates; volume discounts may apply

Discount Statement:

HIS offers McKinney ISD a standard 5% discount from published consulting, training, and professional development rates. Additional volume discounts may be applied for multi-session engagements, districtwide initiatives, and annual service packages. Discounts will be confirmed in writing at the time of quote.

7. Minimum Billing, Materials, and Virtual Training Statement

Minimum Hours of Service:

No minimum for fixed-fee workshops, presentations, or packages. A 2-hour minimum applies to hourly consulting or training services.

Materials:

Standard digital materials are included at no additional cost. Printed materials, licensed assessments, specialized workbooks, third-party tools, or LMS/software costs will only be charged if requested and approved in advance by McKinney ISD.

Virtual Training:

HIS offers virtual professional development and training using District-approved platforms.

Virtual training may include live webinars, interactive workshops, coaching sessions, HR training, leadership development, customer service training, wellness sessions, grant training, and consultant meetings.

Virtual Training Cost:

Virtual workshops may be discounted by 10% compared to equivalent in-person workshops when travel and onsite logistics are not required. Hourly virtual consulting rates generally remain the same, but no travel-related costs apply.

8. Hours of Availability

HIS standard availability is Monday through Friday, 8:00 AM to 5:00 PM CST. Training, consulting, speaking engagements, coaching, and planning meetings may be scheduled outside standard business hours, including evenings or weekends, with advance notice and mutual agreement.

9. Consultant and Subcontractor Assignment

HIS will assign consultants based on McKinney ISD's requested service area.

Need	Likely Assigned Resource
Prime contract coordination	HIS / Eric Hargrave
Leadership and resiliency	HIS / Eric Hargrave
HR, employee engagement, eLearning, customer service	Engaged Talent Solutions
Grant management, compliance, program evaluation	Dr. Terry Flood / Integrated Services & Solutions
K-12 education, teacher retention, instructional leadership	Dr. Ponds
Wellness and mindfulness	Yvonne / LaVie Consulting
Community engagement and outreach	Jamiaka McAdams

Administrative and training coordination	Candyce Hunt
Financial consulting and budget support	Jeffrey Cooley
Specialized instructional topics	Qualified SMEs brokered and managed by HIS

10. Catalog Closing Statement

Hargrave Innovative Solutions provides McKinney ISD with one accountable prime contractor supported by a broad network of qualified subcontractors and consultants. This combined catalog gives the District flexible access to professional development, leadership training, HR consulting, instructional support, technology training, grant management, wellness, financial consulting, community engagement, speaking services, and brokerage support.

HIS is committed to delivering practical, ethical, high-quality, and measurable services that support McKinney ISD's staff, students, families, departments, campuses, and community.
