

RFP2026-04-650 — Forms Requiring Signature

Jamaica's Checklist · Return to Eric by Thu 5/28 EOD

Context: Eric has a zip file of forms requiring Jamaica's signature before the Ion Wave upload. This checklist covers the standard Texas ISD vendor forms required for this type of contract. Jamaica — review each form in the zip, sign where indicated, and return the signed PDFs to Eric.

Note: Eric shared a zip but the actual zip contents were not shared with this system. This checklist is based on standard McKinney ISD / Texas ISD forms for PD/consulting vendor contracts. Cross-reference against the actual forms in the zip — if a form appears in the zip but not here, sign it. If a form is here but not in the zip, check with Eric.

Standard Forms (typically required — check zip for actual forms)

1. Conflict of Interest Questionnaire (Form CIQ)

Authority: Texas Government Code §176.006 **What it is:** Discloses any relationships between the vendor (or its officers/employees) and McKinney ISD officers or employees. **Sign:** Authorized representative of Hargrave Innovative Solutions **Notes:** If no conflict exists, still file — check "no" and sign. Must be filed with the McKinney ISD Records Administrator.

2. HB 1295 Certificate of Interested Parties

Authority: Texas Government Code §2252.908 / Texas Ethics Commission **What it is:** Lists all "interested parties" (5%+ ownership interest, board members, etc.) in the contracting entity. Must be filed electronically through the Texas Ethics Commission portal AND a paper copy submitted to the district. **Process:**

1. Go to https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm
2. Complete Form 1295 online for Hargrave Innovative Solutions
3. Print the certificate (includes a certification number from TEC)
4. Have the authorized representative sign the printed form
5. Submit signed copy to McKinney ISD Purchasing AND electronically confirm on the TEC portal

Sign: Authorized representative of Hargrave Innovative Solutions **{{ACTION REQUIRED — Eric: confirm whether McKinney ISD accepts the online-filed HB 1295 or also requires a physical signed copy with the bid submission}}**

3. Felony Conviction Notification

Authority: Texas Education Code §44.034 **What it is:** Vendor must state whether any principals (officers, owners, operators) have been convicted of a felony. Applies to business entities and sole proprietors. **Sign:** Authorized representative **Notes:** Simply check the applicable box (no conviction, or disclosure) and sign. Failure to disclose is a Class A misdemeanor.

4. Debarment / Suspension Certification

Authority: 2 CFR Part 200 (EDGAR) / Federal Executive Order **What it is:** Certifies that the vendor is not currently debarred, suspended, proposed for debarment, or otherwise excluded from federal

procurement programs. **Sign:** Authorized representative **Notes:** If McKinney ISD uses any federal funds to pay vendors on this contract (Title I, IDEA, ESSER, E-Rate, etc.), this certification is required.

5. Vendor Acknowledgment / Bid Certification Form

What it is: Acknowledges that the vendor has read the RFP, agrees to the terms, and certifies the accuracy of the response. **Sign:** Authorized representative of Hargrave Innovative Solutions **Notes:** This is typically the first or last page of the Ion Wave response and may be signed electronically inside the portal rather than on a separate form — check with Eric.

6. Non-Collusion Affidavit (if included)

What it is: Certifies that the submitted proposal was prepared independently without collusion with other vendors. **Sign:** Authorized representative, sometimes requires notarization **Notes:** Some Texas ISDs require notarization on this form. If the zip version has a notary block, Eric needs to arrange notarization before submission (same-day notary services available at UPS Stores, many banks, and notary apps like Notarize.com if remote signature is acceptable).

7. W-9 (Request for Taxpayer Identification Number)

What it is: Provides Hargrave's EIN to McKinney ISD for payment processing. **Sign:** Authorized representative **Notes:** Must match the entity name exactly as registered with IRS. If Hargrave is a sole prop vs. LLC vs. Corp, the entity type box must match the IRS registration.

8. EDGAR / Federal Funding Certifications (if included)

What it is: Package of federal certifications required when any federal funds may be used: Buy American preference, lobbying certification, environmental compliance, etc. **Sign:** Authorized representative **Notes:** Required if McKinney ISD uses Title I, IDEA, ESSER, or any other federal program funds to pay vendors on this contract — which is common for PD services at Title I campuses.
