

Addendum 1 - Vendor Questions and Answers

26RFP052 Youth and Family Enrichment Services

1. QUESTION: Is this OST program to be funded solely by the district? Or will there be parent pay, too? (You mention sliding scale but also not-to-exceed.)

ANSWER: All afterschool programs via OST are free for students to participate in. Programs are funded through grants.

2. QUESTION: If the programs are funded by your district, what reporting requirements or rules do 3rd party providers need to adhere to?

ANSWER: Any independent external organization, business, or individual that provides programs on behalf of the district must adhere mandatory rules and reporting requirements:

1. Student Safety and Background Clearances (fingerprinting and background checks, abuse reporting, mandated staff to student ratios)
2. Data Privacy and Student Records (FERPA) compliance
3. Financial and Operational Reporting (itemized monthly billing, daily attendance auditing)
4. Equity and Legal Nondiscrimination (ADA and Section 504 Compliance, Sliding Scale transparency)

3. QUESTION: What will the funding source be?

ANSWER: Either local funds or federal funding.

4. QUESTION: Are providers paid based on enrollment, or based on attendance?

ANSWER: Providers are paid based on the agreement of services, which includes the scope of service, date, time. An agreement can be terminated if enrollment or services are not met

5. QUESTION: If this is to be funded by the district, what do you mean by providing a sliding scale when access is universal?

ANSWER: The fee structure ensures that fees are not a barrier to participation for any student or family, regardless of income level.

6. QUESTION: How much funding is available per school for OST programs?

ANSWER: Schools receive an allocation that differs in each campus, based on student enrollment, campus needs.

7. QUESTION: What is the typical average daily attendance in current AISD full service before school and after school programs?

ANSWER: This is a wide range, but classes are typically a max of 15-18 students.

8. QUESTION: Since pricing is to be fixed through the 5-year term, can we build into our proposal annual increases to compensate for anticipated COLA and inflation costs?

ANSWER: There is no provision for price escalation. Vendors who need to add or change their scope of service and pricing will need to submit a proposal to a new RFP solicitation.

9. QUESTION: What specific hours of operation are you seeking for OST programs before school as well as after school?

ANSWER: Before school hours are times before the start of the school and it varies from elementary to middle school to high school. After school hours take place at school dismissal. Starting from 3:00 pm to 6:30, again depending on elementary to high school schedules.

10. QUESTION: Is there a facilities-use/rental cost for OST programming inside the schools?

ANSWER: No

11. QUESTION: Does each AISD school have program space to accommodate OST programs at the school – for example access to gym, cafeteria/cafetorium, and/or classroom space as well as access to outdoor play areas?

ANSWER: Each campus is different, but you will have access to a space for programming.

12. QUESTION: Does each AISD school have a 10x10 storage space available to store program equipment?

ANSWER: No

13. QUESTION: For after-school enrichment, do AISD sites choose from a list of approved vendors?

ANSWER: Individual campuses and departments choose vendors from the approved list once they are awarded as the result of the RFP. The selection rationale is based on which vendor best meets their specific campus needs, rather than being assigned a vendor by the District office. The rationale for vendor selection is based on several factors: budget availability, pricing, vendor's specialized expertise, alignment with curriculum and past performance.

14. QUESTION: Does the District provide contracts in which they assign vendors to sites?

ANSWER: No.
